

Vocabulary

Study the following vocabulary words. There will be a test on Friday.

1. canyon – long, narrow piece of land with high cliffs on each side
2. floodwater – water that collects in an area when there is too much of it
3. riverbank – the land next to a river that is higher than the water level
4. damaged – injured or harmed in a way that causes something to lose its value
5. surrounding – being all around an object
6. stream – a body of flowing water that is like a small river
